- Friday, November 13, 2026, and Friday, February 19, 2027, will be used as assessment days for report cards.
- Friday, November 20, 2026, will be designated a minimum day for parent conferences

- Fifty percent (50%) of the time will be used for teacher-directed research, practitioner inquiry, data analysis, instructional planning, and/or professional development under the direction of teachers. Further, this teacher-directed collaboration will be pre-planned, follow established norms, and be reported on by grade-level teams, other vertically configured teams, or the entire faculty during principal-directed collaboration days. This time is in addition to the preparation time in Article 6.1.6.

- Fifty percent (50%) of the time will be pre-planned and used for research, practitioner inquiry, data analysis, instructional planning, staff/faculty/committee meetings, and/or professional development **(**with input from staff via a district-provided professional development survey sent to all unit members**)**, under the direction of the principal (or designee). The site's staff/faculty meeting will not be held before or after school, but other professional responsibilities that take place outside the workday (as noted in Article 6.1 and its sub-sections) remain in place. Principals will provide the staff with a written agenda for their collaboration time by the end of the school day on the Wednesday prior to their meeting.

The District and the Association agree that all teachers at each elementary school will teach the same number of instructional minutes as compared to other elementary teachers in the District. The District's dependent TK-8 charter school, Competitive Edge Charter Academy (CECA), is exempt from this MOU and will follow its most current MOU instead. There will be no adjustments to teacher compensation based on the instructional minutes outlined in this MOU.
