Special Education Minutes Tracking MOU
March 13, 2024

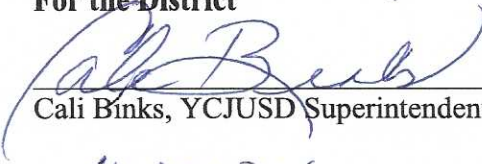

This Memorandum of Understanding (“MOU”) is entered into by and between the Yucaipa-Calimesa Joint Unified School District (“District”) and the Yucaipa-Calimesa Educators Association/CTA/NEA (“Association”). Both parties agree that the following will be in effect for the 2024-2025 school year and is non-precedent setting.

Article 12: Compensation & Benefits

Whenever a special education teacher is absent for two (2) or more consecutive student school days, the special education teacher shall be compensated for thirty (30) minutes of time, paid at the non-instructional rate, for each full day the special education teacher is absent (starting on the second day of the teacher’s absence) for the purpose of tracking and recording special education service minutes. Absences for less than a full student school day are not covered by this MOU and are not subject to compensation. The special education teacher must complete a timesheet in order to be compensated for their time.

This MOU would not apply and compensation would not be provided if the tracking and recording of special education service minutes for an absent special education teacher was completed by another trained employee (under the direction of an administrator). In this situation, the special education teacher who is the case carrier will be informed of the minutes that are logged and any documentation and/or information will be shared.
