and the
YUCAIPA-CALIMESA EDUCATORS ASSOCIATION (YCEA)

Elementary Collaboration MOU
Jaime Anderson Side Letter to Tom Herron
June 10, 2024

The District will release a uniform message to all affected members explaining the purpose of the common formative assessment data reflection sheet (DRS) which focuses on the process more than filling out every box on the form. Administration will work collaboratively with their teacher teams to discuss the DRS form. The District will take steps to ensure that administration is trained on how to have data conversations related to the DRS. The goal will be to provide structure to support school teams. School staff will continue to have an opportunity to provide feedback on the DRS process during scheduled CFA debrief meetings. -Two (2) paid CFA Check-In Meetings will be scheduled after school for members who wish to attend, one (1) within the first 45 days of school and one (1) in January 2025. End-of-Year CFA Debrief Meetings will be held towards the end of the 2024-2025 school year for each elementary grade level, one for ELA and one for math.
